January 2021

Happy New Year! FINALLY! 2021 IS HERE! And it could not have come any sooner.

I hope that you all had a peaceful and safe holiday season, no matter which holiday that you celebrate. I also hope for a much better 2021 for everyone. It has been a challenging year for many of us and I am sorry for any readers who have lost loved ones due to the pandemic, or other reasons, or those who have been ill. I know it has been tough for my family. Please do your part to eliminate the Covid-19 virus, by social distancing, wearing a mask, and using hand sanitizer and washing your hands frequently. If we all do our part, and get the vaccine as soon as possible, our association and the world can get back to business as usual. The Covid-19 Virus is not a hoax and it is not going to mysteriously disappear, the proof is in 340,000 deaths! Thanks for supporting science and being part of the solution.

I hope you are enjoying our Zoom demonstrations that are allowing us to continue the educational mission of the Anaheim Art Association. Members of the board would be glad to help you use Zoom, if you would like to join us, but don't know how. Please contact us for a lesson. There is no cost to use it, and it is as simple as clicking on a link in the email invitation.

Demonstrator DURRE WASEEM: OIL

Durre Waseem

I grew up in a large family that loved to draw and color, with some taking art as a career. My formal art training started when I took Art in college then earned a Masters degree from Punjab university where I taught painting and art history for next seven years and later three at a girls college. It was during my teaching years that I explored myself as an artist with better understanding of seeing and omitting. I enjoy the process of painting in several mediums like oil, water and pastels etc. Like the preferred medium my choice of subject matter also has a wide range. I guess I rather be a Jack of all trades than to be a master.
