PRESIDENT'S MESSAGE

Happy Summer! The Anaheim Art Association does not meet in June, July or August, so please look for this newsletter in the next few months, but not our regular Zoom demonstration meetings. We hope to meet in person starting in September, if all goes well, in the Anaheim Community Center, as we used to.

This month, I hope you had a chance to celebrate Father's Day with your Father or "father-figure" in your life, on Sunday, June 19th. It is wonderful and grateful to recognize those who helped us with our child-rearing and growing up. Even if it happens to be a female who occupies this role, please recognize them for their efforts.

The AAA Board of Directors continues to plan for our 2022 Open Competition, which takes place in September. Watch this newsletter and our other emails for updates and news. You may also want to start producing some new art for the show! When we start asking, we will need your talents and experience to help put on our Open Competition at the Museo. We will need help with art take-in, watching over our art at the show, our reception event, and art take-down, among other tasks. We also still have a need for a Membership Director. Karen Neal has been helping us with the AAA website, so please take a look at it, at www.anaheim-art.org. Please check out the website and let us know if you have any suggestions or ideas for improvements. Please let us know if you can help as Membership Director or as a volunteer for our Open Competition.

Reminder: You may join Anaheim Art Association Members in a weekly painting session in the Downtown Community Center - Visual Arts Room. JOIN US: Tuesday, 12pm to 3:30pm at 250 E Center St, Anaheim CA 92805.
