Kathryn Elliott Duncan has been involved with art materials for more than 20 years. As a ‘materials geek’ she is interested in the creation of and inspiration from art, craft and fabric media. Graduating with a BFA in Painting and Printmaking, she went on to work as a buyer and product developer in art materials. She has become well versed in Oil, Acrylic, Watercolor, Encaustic, Gouache, Egg Tempera, Drawing media, Intaglio, Monoprinting, Etching, Sewing, Beading, Weaving and Dying both as a user and an educator. To Kathryn, the most thrilling part of working with materials is drawing on this knowledge to “solve” artists’ dilemmas when trying to create a specific effect. In 2011 she started Art Workout, a company devoted to art education and inspiration for artists of all ages and experience levels. A Golden Working Artist since 2015, Kathryn looks forward to many years developing an array of acrylic techniques to keep pace with the amazing body of information and product depth available at Golden.
