PRESIDENT'S MESSAGE

Hi everyone,

Our 59th Annual Open Juried Competition will appear very soon if not now on website <https://www.onlinejuriedshows.com/Default.aspx?OJSID=58558>.

Your Art will be Juried online with the Juror judging winners at the Muzeo. This event is open to all artists in So. California (no mail-ins). ANNE KULLAF

Anne Kullaf is a professional fine artist with over 25 years of experience. Her large format, custom oil paintings of the Western landscape capture the colors and textures of the landscape in a bold, expressive style. Formally trained in graphic design and painting, she is a summa cum laude graduate of the University of Bridgeport. Anne has had a highly diverse career as a designer, entrepreneur and visual artist.

PAINTERLY PERSPECTIVE

■ WEDNESDAY, MAY 24 @ 6:30 PM

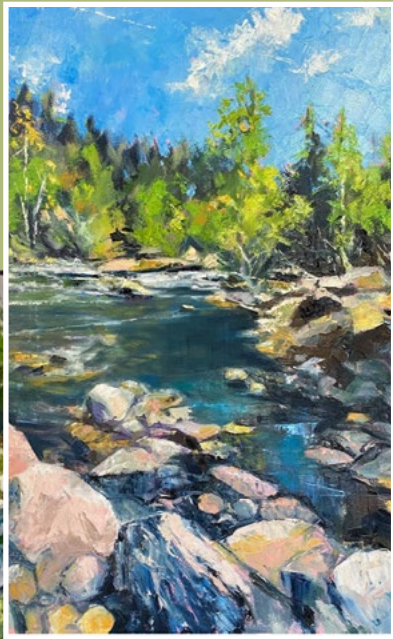

Have you ever struggled to get a painterly look in your paintings of buildings and other architecture? Do your structures appear stiff? Do you have difficulty determining which direction your lines should go? If so, this workshop is perfect for you.

Regardless of the medium you work in, you will learn how to approach perspective in a painterly yet accurate way that creates a confident and expressive end result. I will show you how to deal with perspective in a way that simplifies the process and makes it easy to “see” the perspective rather than focusing on a highly technical, engineering-like approach.

Anne is a former Bryant Park, NYC painter-in-residence, and Metropolitan Museum of Art Copyist Program artist who has taught drawing and painting workshops at:

- Princeton University Art Museum
- Edward Hopper House
- Plein air painting workshops in the US, Canada, France and Italy

Her work is in private collections throughout the US and abroad.
