■ PRESIDENT'S MESSAGE

Hi Everyone,

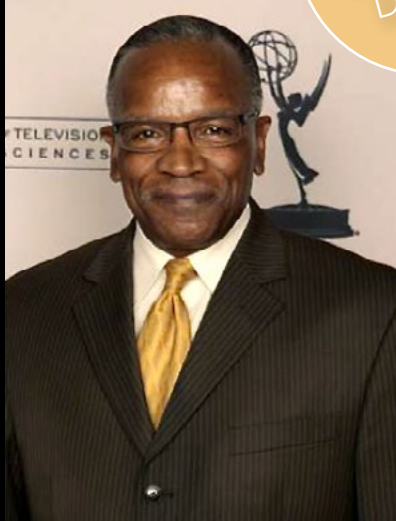

By the time you receive this newsletter the Juror in our 59th open will have made his decision on the artists who are juried-in. All the art was just wonderful! If you didn't make the cut, please don't be discouraged... we have all started out alike.

Regardless, please come to the reception on Saturday September 23 from 4-6 pm. There will be music, snacks provided by the MuzeO, along with beer & wine for sale. Also another event will be sharing these festivities with us. Either a DJ or a band will be playing in the courtyard where all artists will congregate. At the band's break, we will announce the Anaheim Art Association winners.

Please come even if you did not enter and share our 59th AAA celebration with us. Hope to see you there!

Kind regards,
Karen Neal, President

DR. RONALD M. ROBERSON

My approach to photography is a little different than most. Photography can be a bit intimidating as well as confusing for some and cause many to just give up. I approach it from a spiritual standpoint, I go by what I see and feel. The key is to have a basic knowledge of picture composition and editing software. With the proper editing software you can and I have created some award winning shots. I indeed stress the importance of getting the education if you are looking to be a part of the professional ranks.

Every Picture Tells a Story.
