■ PRESIDENT'S MESSAGE

Welcome everyone!

Spring is officially here. The skies are a beautiful blue with white fluffy clouds. The hills and trees are various colors of yellows and greens and the pinks, reds, yellows, and oranges of the flowers blooming are everywhere. It really inspires us to get out and paint all this beauty.

Our demo artist this month is Armando Cepeda who is an artist and educator who has been traveling the United States as well as Mexico, Spain and other European countries for the past several years. He will share his tips for sketching and journaling what he has seen in his travels. With vacations looming on the horizon and a lot of us will be traveling and wanting to paint while traveling, Armando's tips will come in handy.

Welcome to all our new members. All members remember to bring in a painting for our monthly competition.

Hope to see you on Wednesday, April 24 for our meeting. Check-in time is 6:30 if you are bringing a painting. The program begins at 7:00 pm.

Artist/Educator, Armando Duran Cepeda will discuss and demonstrate the art of travel sketching. This fun and quick art technique opens new avenues for artists to meet people, and visually record amazing scenic places worldwide or in their backyard.

From outdoor cafes to historic locations, a travel sketcher's subject matter is limitless.

Armando has traveled throughout Mexico, France, and Spain. From 2021 to 2023, he traveled throughout the United States and Canada in a Winnebago travel trailer.

He will be demonstrating his simple and fun, step-by-step process of travel sketching that allows beginners to advanced artists to join a worldwide community of artists known as "Urban Sketchers" who love to sketch cool places, alone or in groups.
