### ■ PRESIDENT'S MESSAGE

Greetings everyone!

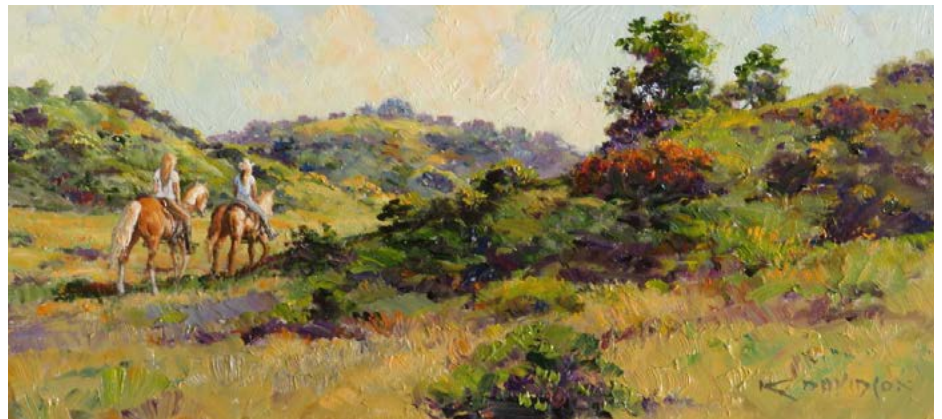

February is the month of love. Love of life, love of family, love of self, and love of what you enjoy doing the most... the love of creating. As artists we are driven to create. We are experimenters, dreamers, and we are clever and fun loving. So get busy and create some new masterpieces!

Our February monthly meeting is Wednesday, February 26 at 7:00 p.m. at the Anaheim Downtown Community Center. (note: our meetings are held on the fourth Wednesday of the month except for November & December when we meet the third Wednesday due to the holidays. We are also dark during the summer.)

If you are a member entering our monthly competition, please check in at 6:30 - 7:00 p.m.

Please members feel free to bring guests to introduce them to our group.

LIVE  
DEMO!

KEVIN  
DAVIDSON

■ WEDNESDAY, FEB. 26 @ 6:30 PM

After graduating from high school in 1965 and serving in the Navy as an illustrator/draftsman until 1969, Davidson attended the Burnley School for Professional Art for a year and then the prestigious Art Center College of Design in Pasadena from 1971-1973. He earned a Bachelor's of Fine Art in illustration and went on to earn his living as a freelance illustrator. Over the years, he worked with local ad agencies and designers, as well as national publishers on book covers and illustration. In 1979, he moved to Orange and has lived in Old Towne since with his wife, June, in a Victorian home with a carriage house that houses his studio.

Around the turn of the Millennium he sensed a turn in the advertising and publishing market, developing an interest in fine art, and decided to join the Orange Art Association, and shortly thereafter, joined the Southern California Plein Air Painters Association, becoming president in 2006. He joined a watercolor class and discovered the plastic painting ground Yupo, producing many award winning Yupo plein air paintings. In the last few years he has been transitioning into oils.
