PRESIDENT'S MESSAGE

Happy March! This month, I hope you celebrate the International Day of Awesomeness on March 10th. This day is a celebration of awesomeness. Take some time on March 10th to identify some things in your life that are awesome. Strive to make things in your life more awesome, or do things that are awesome. I know for many of you, your art makes you awesome. For some of you, it may be your cooking or your gardening ability, or maybe you are a great hair stylist. Whatever it is, DO IT, and let it make you feel awesome!

The AAA Board Of Directors continues to work hard at keeping your Association going. Thank you again to Karen Neal for all that she has done for our organization over the years. In her Board retirement, I know she is finding more time to paint, as she should! I would also like to thank Fletcher Dice for taking on the role of booking our monthly demonstrator artists. The rest of the team is helping a lot too! The Board is working on the Open Competition planning, Bylaws, keeping you informed with this newsletter and our website, our budget, membership growth and retention, etc.. We can always use your talents and experience to help our group thrive! Volunteer today.

Please join us at our monthly demonstrations on the 4th Wednesday of each month, where we provide educational, promotional and display opportunities for our members. The newsletter will keep you updated about the demonstrator and timing. The meetings are at 7:00 PM and they continue on Zoom until future notice, due to Covid. You don't have to leave your home to participate. Watch the newsletter and your emails for log-in links and updates.

If you have won an honor or award in an annual/open competition at another art association, gallery or regional or national art association, PLEASE LET US KNOW

We will publish it in this newsletter to let members know of your success!

REMINDER:

You may join Anaheim Art Association Members in a weekly painting session in the Downtown Community Center - Visual Arts Room.
JOIN US: 12pm to 3:30pm at 250 E Center St, Anaheim CA 92805.

Happy painting, drawing, sculpting, or whatever your artistic pursuit is!

■ YOU CAN'T PAINT IT IF YOU CAN'T SEE IT!

Randy Sprout began his art career in 1964 at the University of Iowa earning his BA in printmaking. Before entering graduate school, he served as a 1st Lieutenant on the DMZ in Korea. He moved to California in 1969 where he graduated with a MA and an MFA from UCLA in painting. Randy worked for LA County Museum of Art restoring priceless art works. He has taught printmaking and painting at USC, UCLA, UCLA Extension and Pierce College. He co-authored the book "Innovative Printmaking" 1977 Crown Publishers, New York. In 2004 he gave a sold-out lecture to Museum of Contemporary Art Los Angeles with a re-creation of Synchrome Kineidoscope performance, a machine he helped work on with Stanton MacDonald-Wright in early 1970. He recently won the "Best Artist Over 65 Award" from Plein Air Magazine for December/January 2018.
